YOUTH EXCHANGE

SUMMER 2024

(BASQUE COUNTRY - OTHER EU COUNTRY)

KIRIBIL EUROPEAN OFFICE

We are a network of nonprofit institutions of local social initiatives; we work for community empowerment through socio-educational programs at the municipal level.

In total we are a network of 9 entities that manages 38 projects with 162 volunteers and 88 paid professionals with different dedications and roles.

The increase in the number of European-level projects being developed or in which Kiribil Sarea and its entities are participating, makes it advisable to bring together and organise all these actions under a single strategy for European programmes.

In addition, we are a member of Eurodesk and have the European Solidarity Corps quality label.
