**<Project summary:**

"Go WILD" is an Youth Exchange with the aim to empower young People and to show them how many Talents and Strengthness they have.

We spend 10 days together in nature without electricity, without all the technical equipment and time-eaters. We deal only with nature and us yourself! How important is teamwork? Which part should I take in a team? What do I need to get ahead in my life? What talents do I have? What are my strengths? How do I put this on right way? These are questions to which we want to find answers!

**Hosting Organisation:** "Street Art - Association for innovative youth work" is a Youth Organisation.

We work with young People between 14 an 23 years. Our main topics are Youth unemployment, youth empowerment, Art Projects, and Sport activities.
